

TOHO MARINE ELITE ONE MAN SERIES EASY MONEY PROGRAM

EARN UP TO \$1500.00 TOTAL PAYOUT!

Toho Marine is excited to announce our new One Man Elite Series Easy Money Program! There are no fee's, and nothing to "sign up" for, all you have to do is show up and fish! There are two parts to this program depending on the boat you purchased from Toho Marine. The best part, you don't even have to win to make money, just by fishing the Toho Marine Elite One Man Series you can make up to \$500.00!

Just by fishing the Elite One Man Series, and qualifying to fish the Classic (fish 7 of 9 tournaments or finish in the Top 30 for points), you will automatically receive your redemption code for the certificate below. For anyone who purchased a new boat from January 2016 to now, your certificate will be for \$500.00 in "Toho Bucks" that can be used for any purchase at Toho Marine. If you purchased a used boat from January 2016 to now your certificate will be for \$250.00 in "Toho Bucks."

An even easier way to make a little extra money is to bring a friend to fish either the February or March Tournaments that has not fished the One Man Series in the past. Just by bringing in a friend to fish you will earn \$25.00 in Toho Bucks. There is no limit to how many friends you can bring, so the more you bring, the more you make!

Just to sweeten the pot Toho Marine will pay out \$1000.00 Cash Bonus to the Winner of the Elite One Man Series Championship if the winner purchased a new boat in 2016 or 2017! If you purchased used boat, or a 2015 or older new boat from Toho Marine you can still win an additional \$500.00!

The end goal is to have at least 60 boats at every tournament in order to have these events be able to pay out even MORE MONEY! 60 boats is the cut off for all of the extra incentives that are offered by the boat brands we carry and that have committed to supporting this great tournament series! Once we reach over 60 we will also be able to award Triton Gold, Ranger Cup, Phoenix First Flight, Skeeter Real Money, and Blazer Boats Bonus Money! This could mean an additional payout of up to \$7000.00 depending on the boat you run and that brands qualifications for bonus payouts.

You want "Easy Money," you got it, just come out and fish the Toho Marine Elite One Man Series! You can find more details at www.tohmarine.com.
